Self Enrollment for Identity Account -Activation-
2. **Identity Account Activation**

1. For delayed activation, you need to activate your account manually when you are within any USM campuses.

2. Using your computer, tablet or telephone, connect to **USMWireless**. You can also use any computer or kiosk that is connected to USM’s network.

3. You will be presented with **USMWireless** login page. Browse any website if login page does not appear.
